

## **CAMPSITE REGULATIONS**

### **1. Access**

For admission, the GUEST must accept the following campsite regulations.

### **2. Identification**

Every GUEST who stays on the campsite has to prove his identity. GUEST under 18 y.o must be in the company of an adult and provided parental permission.

### **3. Facility**

Caravan, tent, campervan, mobilhome and equipment must be installed at the designated pitch. In case of electricity, the GUEST has to provide his/her proper European plug and additional plugs.

### **4. Sound and silence**

Any sound has to be minimized so that it doesn't bother other campers.

### **5. Dogs and animals**

Dogs are allowed on the campsite. They must be constantly under surveillance, on a leash, vaccinated and tattooed. Dogs are walked outside the campsite and there is an obligation to clean up after them. Dangerous dogs (fighting and defensive ones) are not allowed.

### **6. Visitors**

Visitors are asked to present themselves at the reception. There is a supplement applicable. Visitors that have access to the campsite are also held by the campsite rules and conditions.

### **7. Circulation and parking on the campsite**

The speed on the campsite is limited to 10km/h. It is allowed to drive your vehicle between 08:00 and 23:00. Only vehicles of GUESTS are allowed on the campsite. Only one vehicle is included in the package price. In case of an extra vehicle, please notify the campsite direction. There is a supplement applicable. The vehicle has to be properly parked so that it not blocks or hinders other guests. Please minimize the use of your vehicle regarding safety and pollution.

### **8. Proper use of the campsite**

Every GUEST is asked to respect the campsite terrain, the buildings, services and vegetation. Used water tanks can be emptied at designated places and please avoid washing your car on the campsite. Drinking water is precious so please use it with care (dishes, washing, shower...). Flowers and vegetation are planted for your pleasure so please leave them in good condition. Cutting branches from trees or bushes is strictly forbidden and the use of lines between trees is not allowed. Costs that have to be made by the campsite due to damage of the property, buildings, vegetation are being charged. Pitches have to be left in proper condition and garbage has to be left in the designated containers outside the campsite as well as glass, plastic, etc. Garbage that can't be put in the containers has to be taken to the communities dump by the guest him/herself.

### **9. Safety**

Fire: Open fire is not allowed. Only barbecues on gas or electricity are allowed when they are in good working condition. - Security / watching: The CAMPSITE takes care of the surveillance of the campsite. The GUESTS are responsible for their own belongings and notify the CAMPSITE in case of suspicion. - Games: violent or noisy games are not allowed on the campsite and in the proximity of the communal services in particular. The playgrounds that are situated on the campsite are to be treated with respect and the children who play must be under the constant surveillance of their parents or adults. - Toilet facilities: kids must be in the company of their parents and it is not allowed to play there. - Swimming pool: kids must be in the company of their parents and to respect swimming pool regulations.

### **10. Abandoned materials**

It is not allowed to leave behind any material on the campsite after your stay. Any exception has to be authorised by the CAMPSITE. This same CAMPSITE cannot be held responsible for any material left behind.

### **11. Infractions**

Any GUEST who does not follow the campsite rules risks to be formally noticed by the direction. If his or her behaviour occurs frequently, he or she risks to be excluded immediately.
